

First announcement

Dear friends and colleagues,
the Czech Immunological Society cordially invites
you to the **3rd International Conference Food,
microbiota and immunity**, which will take place in
Prague, Czech Republic, from 16th to 19th June 2025.

This will be a friendly meeting of colleagues working
in immunology, microbiology, food research and
related fields. In addition to the lectures addressing
key links between the immune system, food and
microbiota, you can look forward to a poster session,
panel discussions and informal social events to
facilitate the exchange of scientific ideas.

We look forward to seeing you in Prague,
Miloslav Kverka
Helena Tlaskalová-Hogenová
Luca Vannucci
